Confidential Medical Record

WT Program Notes
Follow-up

TO ALL PROSPECTIVE AND CURRENT STUDENTS: Filling out this medical form honestly and completely is the first step in taking care of yourself. For your safety, it is important that we know as much as we can about your physical condition. Many medical conditions will not prevent you from successfully completing the program, but failure to disclose information could result in serious harm to yourself or other participants. Every item on this form must be completed. If it does not apply to you, mark "N/A". If you have certain medical conditions, we may require that you have a physician fill out a supplemental form. All information you provide will be shared only with your admissions counselor and the Wilderness Therapy faculty or staff members working with you in the field.

Additional Comments _____

PART V. Signature Required

I understand that the trips of the Wilderness Therapy MA Program are physically and mentally strenuous experiences that may take place in a remote wilderness area, far from conventional medical facilities, for a period of up to eight (8) days. The information on the preceding pages is a complete and accurate statement of my past and present medical condition, and I have included all physical and psychological factors that may affect my participation in these classes. I realize that failure to disclose such information could result in serious harm to myself and/or fellow participants. I agree to indemnify and hold Naropa University harmless if all relevant information is not disclosed. **I agree to notify the Wilderness Therapy Trip Coordinator should there be any change in my health status at any time during the program.**
