

ELECTRONIC FUNDS TRANSFER PROGRAM

Naropa University is pleased to announce a convenient program to save you the time and effort of writing and mailing checks. What's more, it decreases our administrative cost and increases financial support for Naropa students.

We invite you to consider becoming an ePartner with Naropa, by making your regular donations via electronic funds transfer (EFT). ePartner always "remembers" the support pledge you set up, ensuring that you never inadvertently forget to make a donation, by automatically making the monthly contribution you authorize from your checking account.

How does it work? It's simple and secure.

1. Fill in the "Electronic Donation Authorization" form below indicating how you want your regular monthly contribution to be used.
2. Print two copies of the form, one for Naropa and one for your records.
3. Sign both copies of the form after printing.
4. Mail one copy of the signed form to Naropa University.

Then, we'll take care of the rest:

1. We will set up a secure transaction with your bank, using the authorization form information you have given us.
2. We will send you a letter confirming the receipt of your form.
3. We will send you an annual contribution receipt in December for your tax records. If you should ever need this information prior to December, please feel free to call.
4. Each month your authorized monthly donation will be transferred from your checking account to Naropa University. A record of this electronic funds transfer (EFT) will appear on the monthly statement you receive from your bank.

Remember, you're in control. Whenever you wish to change your ePartner information – to change the amount or designation of your pledge, or to cancel out of the ePartner program – simply contact Naropa in writing and we will immediately honor your request.

If you would like to discuss the ePartner program, or if you have any questions, please do not hesitate to contact us at telephone 303-245-4751, or by email at advancement@naropa.edu.
