

Bhutan Study Abroad Program

- BSA350 Guided Independent Research: Bhutan does not count towards a student's maximum number of Independent Study credits.
- All RUB courses count towards the 6-credit maximum transfer credits allowed to count towards major requirements.

Naropa Courses		
	CORE	MAJOR
BSA325 Traditional Culture and Contemporary Issues of Bhutan	Cultural & Historical Studies	Peace Studies: Interdisciplinary Exploration elective
BSA335 Contemplative Intercultural Studies	Body-Mind Practice World Wisdom Traditions	Peace Studies: Interdisciplinary Exploration elective
BSA350 Guided Independent Research: Bhutan	Does not automatically fulfill any core area. However, students can use a Core Curriculum Petition to request this class be counted towards a core area requirements based on the student's topic.	Environmental Studies: Considered on a case-by-case basis for Focus course via an Exception to Program Requirements. Other programs may consider this class to count towards a major requirement depending on topic. All requests to have this class count towards a major requirement must have an Exception to Program Requirements.

Additional Information for Naropa Environmental Studies majors:
Students may choose a course from the list of College of Natural Resources courses that the student finds to be a suitable alternative to *ENV420 Environmental Service Learning* or *ENV321 Geology*. The RUB course must be approved by Naropa’s Environmental Studies department on the basis of a relevant syllabus. See your academic advisor for more information.
