Support for the People of Haiti
January 13, 2010

Dear Members of the Naropa Community,

As you all may know, the island nation of Haiti was devastated by a 7.0-magnitude earthquake yesterday. This was truly a cataclysmic event—and, as such, the people of Haiti are in need of our support, prayers and practice.

In the coming few days, as we learn more details about the situation on the ground, my office will provide information to the community on how each of us can help. However, in the meantime, we should all take a moment of silence for those who are suffering because of this tragedy.

Let us be conscious of our blessings at this moment. Our good fortune should be shared with those in need, so please, be generous to the people of Haiti.

We make a living by what we get, but we make a life by what we give. ~Winston Churchill

In Solidarity,

Dr. Stuart C. Lord
