## Frequently Asked Questions

### Where do I get the Degree Application form?

This is now known as the “degree completion form”: <http://www.naropa.edu/registrar/forms.cfm>

### I go by a different name than my legal name. Can I have that printed on my diploma?

Sorry, no. The diploma is an official document, therefore it can include only your legal name. You can opt to abbreviate your first and middle names, but not your last name.

### Can I have my title on my diploma?

No. We only use legal names on the diploma without titles.

### What if my diploma never showed up? Or was lost? Or was eaten by my dog? What if I need a copy for a foreign visa?

Please contact [aregistrar@naropa.edu](mailto:aregistrar@naropa.edu). Include your name and student ID number.

### When will I get my diploma?

Diplomas are not sent to students until the following steps are confirmed:

- You have completed all above listed steps to apply to complete your degree.
- All of your grades are in and are sufficient to earn your degree per your Degree Audit.
- Your diploma is printed and signed by the President, the Chair of the Board of Trustees, the Vice President for Academic Affairs, and the Registrar.
- Any outstanding tuition and/or fees are paid.
- You have completed Financial Aid exit interviews (if you received aid).

Once all of the above is confirmed complete, your diploma will be mailed to the address you specify on your Degree Application. Usually, diplomas are sent out within four weeks of the semester grade due date.

### What should I do if I want my diploma sent elsewhere?

Please email [aregistrar@naropa.edu](mailto:aregistrar@naropa.edu) with your name, student ID number, and the address to which you want your diploma sent.

### How will I get my deposit back?

Your deposit refund also depends on the same processes for the diploma, minus the printing/signing. Your refund will be sent to the mailing address listed for you in WebReg. Please ensure that this address is up-to-date for you for the 1-3 months after your last semester.

### I already walked in "graduation." Doesn't that mean I "graduated?"

No -- you only participated in the Commencement Ceremony. This is not the same as completing your degree. You must complete all academic requirements of your program; earn sufficient credits and GPA to earn your degree from Naropa University.

**I don't understand: What's the big deal if I turn something in late?**

Advisors and administrators produce and process a lot of paperwork for you, behind the scenes, to verify your academic progress and to audit your degree completion. When you apply late, your degree is processed out of sequence, which takes more time and effort than if you were simply included in the group of pending degree-seekers who applied on time. The late fee serves as both a deterrent for you, and cost recovery for us. Please turn your forms in on time.

**I need help with some part of this process and my question wasn't answered above. Who do I contact?**

For degree completion procedures, start with your advisor. Remember, if you need help with commencement or the fall ceremony, please contact Student Affairs.

## Instructions on Completing Your Degree:

1. Log into WebReg, check your mailing address, and update it if needed. Important information will be sent to the address listed there.
2. **Complete the Degree Application and mail it or submit it to Student Administrative Services by the last day of drop/add for the semester.** Applications received after this date will be subject to a \$25.00 late fee.
3. Make an appointment in late September through mid October (fall) or in March and April (spring) with your advisor to complete your **Degree Audit** form. Your advisor will submit the form.
4. **If you received a student loan while attending Naropa, you must attend a financial aid exit interview.** We will contact you via email in late September (fall) or early February (Spring) about the exit interview dates and times. If you are out of the state and not returning to Boulder, you can complete this exit interview online. Watch your email for details about exit interviews.
5. You **must** obtain administrative clearances by attending a Clearance Fair to be held in mid-April for spring and summer graduates and in November for fall graduates. This is to confirm that you have paid any debt to the university and done other tasks that are required to complete your degree. If you cannot attend the clearance fair for any reason, please email [glalich@naropa.edu](mailto:glalich@naropa.edu) for the process and due dates. A late fee of \$45.00 may be assessed if the form is received after these dates. **Please let us know if you live out-of-state and will not be in Boulder to attend a Clearance Fair.** We recommend that you check in with these departments a few weeks before the clearance fair to clear up any outstanding debt or problems that may interfere with your clearance to complete your degree:
  - a. The **Tuition Cashier** will verify that you have no outstanding balances. Students with an outstanding balance will not be allowed to participate in the commencement ceremony and will not receive a diploma or transcripts. 303-546-3554; [tuition@naropa.edu](mailto:tuition@naropa.edu)
  - b. **Financial Aid:** If you rec'd student loans, you'll complete exit interview(s) at <http://mappingyourfuture.org/oslc/> (Stafford & GRAD PLUS) and [www.ecsi.net](http://www.ecsi.net) (Perkins) and attend a group student loan exit session (watch your email for dates and times). 303-546-3563; [karenl@naropa.edu](mailto:karenl@naropa.edu)
  - c. The **Library** will verify that you do not have any overdue books or unpaid fines. 303-546-3507; [library@naropa.edu](mailto:library@naropa.edu)
6. You are invited to Naropa's Commencement Ceremony in May (unless you have walked in a previous spring ceremony) or the Fall Ceremony. See <http://www.naropa.edu/studentlife/index.cfm> for additional information.

**Congratulations!**
