

NAROPA UNIVERSITY

Courses open to the public Fall 2011

The following courses are available to the public for credit.

If you wish to take one of these courses, you must complete a “Non degree Student Registration form” and pre-pay for the course.

If the course has prerequisites or other restrictions as indicated in this schedule, it is strongly encouraged that a non-degree student contact the department or instructor to determine if the student is adequately prepared for the course. If the course specifies that permission of department is required, the student must obtain written permission.

Non-degree students must abide by all policies and procedures as outlined in the Naropa University Handbook.

Remember, if you are planning to eventually transfer courses into a degree program at Naropa or another school, you should check with that program first to determine if there are limits on the number of credits you may take as a non-degree student and/or to determine whether the course you wish to take will fit into the degree you wish to obtain.

For questions about non-degree classes or for assistance, please see the Non-Degree Student Registration page at <http://www.naropa.edu/registrar/nondegree.cfm>

For non-credit courses, please contact Naropa’s Extended Studies department at 303-245-4800 or extend@naropa.edu.
