

## **2019 State Authorization Federal Regulations**

### **Naropa University Disclosure**

The Naropa University education combines rigorous academic learning with contemplative practice. All concentrations of our Clinical Mental Health Counseling Program are currently CACREP equivalent, yet not CACREP accredited. This means that we teach all of the core components that are required by CACREP to be a Clinical Mental Health Counselor, in addition to leading edge contemplative, mindfulness and mind/body integration tools.

As a graduating student you need to complete a degree verification process. Naropa University has a dedicated team member that offers Credentialing and Licensure support during and after your Naropa education.

## **States that Currently or Plan to Require a CACREP Accredited Education**

### **Kentucky**

Statement from the ACA: "Kentucky requires applicants who enrolled in a graduate program after January 15, 2015 or those who receive a degree after May 31, 2020 to graduate from a CACREP accredited program."

Kentucky Department of Professional Licensing Administrative Regulations 201 KAR 36:070

"Section 2. Accreditation. (1)(a) All coursework submitted for licensure shall be from a regionally accredited educational institution, which is accredited by any one (1) of the following: Southern Association of Colleges and Schools, Middle States Association of Colleges and Schools, New England Association of Colleges and Schools, North Central Association of Colleges and Schools, North Western Association of Schools and Colleges, or Western Association of Schools and Colleges. (b) All coursework submitted for licensure from an international educational institution shall be accredited by the International Registry of Counseling Education Programs or reviewed by the World Education Services. (2) An applicant shall have a degree from a program that is accredited by the Council on Accreditation of Counseling and Related Programs (CACREP) or its affiliates. This requirement shall not apply to an applicant who: (a) Is enrolled in a counseling or a related field program on or before January 15, 2015; (b) Maintains continuous enrollment; and (c) Receives a degree in the counseling or a related field program no later than May 31, 2020."

## **Missouri (Online/Hybrid Programs)**

From the Missouri Division of Professional Registration: “Effective May 30, 2009 Course work offered primarily via correspondence course, Internet, electronic mail, audio or video, or any format that does not allow the participants to interact verbally and visually does not meet the educational requirements for licensure unless the program is in mental health counseling and CACREP accredited or rehab counseling and CORE accredited.”

## **New Hampshire**

Statement from the ACA: “New Hampshire requires applicants who receive a degree after January 1, 2022, to graduate from a CACREP-accredited program.”

\*In 2016 the American Counseling Association (ACA) published information stating that New Hampshire will require a CACREP accredited education for licensure. The state’s licensing board has not published this requirement on their website or in their rules, policies, regulations and/or laws as of June 2020. They have therefore neither confirmed or denied the statement published by ACA at this time.

## **North Carolina**

From North Carolina Board of Licensed Clinical Mental Health Counselors: “Senate Bill 279 was signed into law. This bill amended the educational qualifications for the practice of counseling. As part of the Bill applicants who apply for licensure on or after July 1, 2022 must have a master's degree in counseling or a related degree from CACREP accredited program.”

## **Ohio**

Statement from the ACA: “Ohio, for in-state applicants submitting after January 1, 2018, requires graduation from a CACREP-accredited program.”

From Ohio Counselor, Social Work and Marriage and Family Therapist Board: “You must hold a graduate degree in counseling from an accredited institution. All “Council for Accreditation of Counseling and Related Educational Programs” “CACREP” accredited clinical mental health programs, clinical rehabilitation counseling programs, or addiction counseling programs meet Ohio’s education requirements for licensure. “CACREP” accredited mental health program degrees conferred prior to January 1, 2018 are also accepted as meeting the educational standards for licensure. Applicants from other accredited counseling programs shall meet the standards of division (B)(3)(d) of section 4757.23 of the Revised Code.”

Section 4757.23 of the Revised Code Named Above:

(2) To meet the requirement of division (B)(1)(b) of this section, a graduate degree in counseling obtained from a counseling program in this state after January 1, 2018, must be from one of the following:

(a) A counseling program accredited by the council for accreditation of counseling and related educational programs;

(b) A counseling education program approved by the board in accordance with rules adopted by the board under division (G) of this section.

(3) All of the following meet the educational requirements of division (B)(1)(c) of this section:

(a) A clinical mental health counseling program accredited by the council for accreditation of counseling and related educational programs;

(b) Until January 1, 2018, a mental health counseling program accredited by the council for accreditation of counseling and related educational programs;

(c) A graduate degree in counseling issued by an institution in another state from a clinical mental health counseling program, a clinical rehabilitation counseling program, or an addiction counseling program that is accredited by the council for accreditation of counseling and related educational programs;

(d) A counseling education program approved by the board in accordance with rules adopted under division (G) of this section.

## **States that Currently or Plan to Require a CACREP Accredited Education**

### **Kentucky**

Statement from the ACA: “Kentucky requires applicants who enrolled in a graduate program after January 15, 2015 or those who receive a degree after May 31, 2020 to graduate from a CACREP accredited program.”

Kentucky Department of Professional Licensing Administrative Regulations 201 KAR 36:070

“Section 2. Accreditation. (1)(a) All coursework submitted for licensure shall be from a regionally accredited educational institution, which is accredited by any one (1) of the following: Southern Association of Colleges and Schools, Middle States Association of Colleges and Schools, New England Association of Colleges and Schools, North Central Association of Colleges and Schools, North Western Association of Schools and Colleges, or Western Association of Schools and Colleges. (b) All coursework submitted for licensure from an international educational institution shall be accredited by the International Registry of Counseling Education Programs or reviewed by the World Education Services. (2) An applicant shall have a degree from a program that is accredited by the Council on Accreditation of Counseling and Related Programs (CACREP) or its affiliates. This requirement shall not apply to an applicant who: (a) Is enrolled in a counseling or a related field program on or before January 15, 2015; (b) Maintains continuous enrollment; and (c) Receives a degree in the counseling or a related field program no later than May 31, 2020.”

### **Missouri (Online/Hybrid Programs)**

From the Missouri Division of Professional Registration: “Effective May 30, 2009 Course work offered primarily via correspondence course, Internet, electronic mail, audio or video, or any format that does not allow the participants to interact verbally and visually does not meet the educational requirements for licensure unless the program is in mental health counseling and CACREP accredited or rehab counseling and CORE accredited.”

### **New Hampshire**

Statement from the ACA: “New Hampshire requires applicants who receive a degree after January 1, 2022, to graduate from a CACREP-accredited program.”

\*In 2016 the American Counseling Association (ACA) published information stating that New Hampshire will require a CACREP accredited education for licensure. The state’s licensing board has not published this requirement on their website or in their rules, policies, regulations and/or laws as of June 2020. They have therefore neither confirmed or denied the statement published by ACA at this time.

## **North Carolina**

From North Carolina Board of Licensed Clinical Mental Health Counselors: “Senate Bill 279 was signed into law. This bill amended the educational qualifications for the practice of counseling. As part of the Bill applicants who apply for licensure on or after July 1, 2022 must have a master's degree in counseling or a related degree from CACREP accredited program.”

## **Ohio**

Statement from the ACA: “Ohio, for in-state applicants submitting after January 1, 2018, requires graduation from a CACREP-accredited program.”

From Ohio Counselor, Social Work and Marriage and Family Therapist Board: “You must hold a graduate degree in counseling from an accredited institution. All “Council for Accreditation of Counseling and Related Educational Programs” “CACREP” accredited clinical mental health programs, clinical rehabilitation counseling programs, or addiction counseling programs meet Ohio’s education requirements for licensure. “CACREP” accredited mental health program degrees conferred prior to January 1, 2018 are also accepted as meeting the educational standards for licensure. Applicants from other accredited counseling programs shall meet the standards of division (B)(3)(d) of section 4757.23 of the Revised Code.”

Section 4757.23 of the Revised Code Named Above:

(2) To meet the requirement of division (B)(1)(b) of this section, a graduate degree in counseling obtained from a counseling program in this state after January 1, 2018, must be from one of the following:

(a) A counseling program accredited by the council for accreditation of counseling and related educational programs;

(b) A counseling education program approved by the board in accordance with rules adopted by the board under division (G) of this section.

(3) All of the following meet the educational requirements of division (B)(1)(c) of this section:

(a) A clinical mental health counseling program accredited by the council for accreditation of counseling and related educational programs;

(b) Until January 1, 2018, a mental health counseling program accredited by the council for accreditation of counseling and related educational programs;

(c) A graduate degree in counseling issued by an institution in another state from a clinical mental health counseling program, a clinical rehabilitation counseling program, or an addiction counseling program that is accredited by the council for accreditation of counseling and related educational programs;

(d) A counseling education program approved by the board in accordance with rules adopted under division (G) of this section.
